

# The Men Of Business Informational Meeting

Men of The Chamber!!

Tired of all the other networking groups, the "Go team" rah, rah? How about the "7a.m. every week be there or we'll kick you out" groups? The "Pay to Play" groups? We are too, which is why we are starting ***The Men Of Business ( The M.O.B)***! This select group of seasoned Southside businessmen are looking for a few good men, businessmen that is, to network with in a casual atmosphere with no agendas other than to get to know each other and ultimately build networking relationships.

These individuals should:

Have strong ethics

Be trustworthy

Be able to have open and honest conversations, both good and bad

Share experiences as well as contacts

Have a willingness to help others

If you fit the profile for this "League of Exceptional Gentlemen", we encourage you to visit our group for a **free** informational meeting and cocktail hour (and a half).

Welcome to the Family!
